**ACCREDITATION**

Maintenance of Certification Section 1 – 6.25 credits  
Mainpro-M1 – 6.25 credits

**COURSE OBJECTIVES**

Upon completion of the program, participants will be able to:

1. Identify at least one key endocrine clinical solution, learning point or next step in therapy for each topic or patient scenario presented.
2. Be able to demonstrate updated knowledge of new concepts for diagnosis and treatment options/guidelines for endocrine problems encountered in office practice.
3. Describe how they may employ these new guidelines, clinical skills, techniques and treatment options for improving their patient's care.

**COURSE FACULTY**

**Dr. Sabrina Gill**, MD, FRCPC, St. Paul's Hospital; Clinical Professor, Division of Endocrinology, University of British Columbia

**Dr. Dan Holmes**, MD, Clinical Professor, St. Paul's Hospital, University of British Columbia

**Dr. Michelle Johnson**, MD, FRCPC, St. Paul's Hospital; Clinical Assistant Professor, Division of Endocrinology, University of British Columbia
